Looking for that perfect honeymoon trip for you and the one you love? Then take a look at WedAlert.com's list of the world's top honeymoon destinations.

"The destination that you and your new spouse choose for your honeymoon, whether it be two days or two weeks long, has a lot to do with your personal interests and tastes as well as your budget," said Joyce Artinian, a spokesperson for WedAlert.com, an online wedding planning directory.

Here are WedAlert.com's top 10 picks for an unforgettably romantic honeymoon getaway:

Tropical Paradise

- 1.) Hawaii - It's still one of the top destinations for newlyweds, and it's easy to see why - palm trees, clear blue ocean water and magical sunsets make this island foolproof for romance and relaxation!
- 2.) The Caribbean - From Aruba to Jamaica, get a tropical

- 3.) Mexico - With so many resort towns to choose from including Cancun, Acapulco, Cozumel, Ixtapa, Los Cabos, Mazatlan and Puerto Vallarta, the possibilities for a dream honeymoon in this festive country are endless!

'Om'azing

- 4.) Arizona - Go all out with luxury spa treatments at one of Arizona's many relaxing retreats! Massage, yoga, aromatherapy, body wraps, pools and more await you...
- 5.) Go global at spa destinations worldwide including the Bahamas, Europe and Asia.

French Kiss

- 6.) Paris, France is unmistakably one of the most romantic spots on the planet! Another part of France to love is Provence in the south, with its distinctive culinary delights and fields of lavender.

Wildlife

- 7.) South Africa - If you crave adventure and are animal lovers, an African Safari is perfect for you! Kruger National Park in South Africa is proving to be quite popular - camp out with your beloved under the stars at night, and explore the wildlife and terrain by day for an adventure you'll always remember!

Love Boat

- 8.) There are cruises available to pretty much every continent from a variety of cruise lines, so whether you want to escape to Italy or sail to Sydney, Australia, you're sure to find the destination that's right for you. Dine on a variety of exquisite cuisine
